Dear Lamar:

Congratulations! The Texas Association of Student Councils, sponsored by the Texas Association of Secondary School Principals, is pleased to recognize your student council and present you with the following award(s) for outstanding achievement in 2017-2018:

- Outstanding Student Council
- Drugs, Alcohol, Safety and Health
- Energy and Environment
- Pride and Patriotism
- Community Service
- Sweepstakes

The TASC outstanding school recognition program is designed to set a standard of excellence for Texas student councils as outlined in criteria published in state report forms. The report forms are reviewed annually by the TASC Board of Directors to ensure that the recognition program is rigorous and relevant. Fewer than 20% of TASC member schools are recognized in one or more areas, so this is quite an accomplishment of which your school can be proud.

Enclosed award(s) were generated based on records provided to TASC by your TASC district president school. If you believe there is an error or if you have questions, please contact Beverly Kauffmann at TASC (email: Beverly@tassp.org or phone: 512.443.2100 ext.8504).

Share the good news of your council's work with your community. A press release template for outstanding achievement in TASC State Projects can be found on the TASC website (www.tasconline.org) under the Resources tab.

Once again, we congratulate your school and thank you for the work you are doing to improve your school and community through student council.

Sincerely,

Terry Hamm
TASC Director
