K-12 COVID-19 Testing Guidance and Eligibility Requirements 2022-2023 School Year

During the 2021-2022 school year, Texas Education Agency (TEA) provided funds for COVID-19 testing for students and staff who were experiencing COVID-19 symptoms. For the 2022-2023 school year, TEA is only providing test kits for targeted asymptomatic students and staff.

Beginning August 10, 2022, Tuloso-Midway Independent School District can no longer provide testing for students nor staff who are experiencing COVID-19 symptoms. Students and staff who are experiencing COVID-19 symptoms, should contact their physician or visit a COVID-19 testing site. Visit cctexas.com to find a testing site.

Home test results will be accepted for students only. Staff must provide test results from a testing site or their physician.
