

TULOSO-MIDWAY

INDEPENDENT SCHOOL DISTRICT

July 22, 2022

Protocol system beginning Monday, July 25, 2022

- Campus visitors approaching the school will be met **outside the front door** by a uniformed officer.
- He/She will greet the visitor(s) and will ask how he/she can assist them.
- Once the reason is given to enter the building the officer will escort the visitor to the check-in location where other security measures, as established by TMISD will be followed.

School safety continues to be a priority. With the passing of the proposed November bond, we plan to implement additional high security controlled school access mechanisms at all TMISD schools.

With care,
Steve VanMatre
