

Tuloso-Midway ISD Parent Involvement Policy

2019-2020

TMISD MISSION STATEMENT

Tuloso-Midway Independent School District educates every student to be a lifelong learner, a person of integrity, and a positive contributor to society.

Statement of Purpose

Tuloso-Midway is dedicated to providing quality education for every student in our district. To accomplish this, we want to establish and maintain partnerships with parents and community. Each student will benefit from supportive, active involvement of all members of the population.

The purpose of parent involvement is to involve and to foster a school-home partnership that will assist all students to succeed. Parents play a vital role as children's first teachers. Their support for their children and for the school is critical to success. A positive link between home and school creates the most conducive learning conditions and will expand and enhance learning opportunities for every child.

Grade level goals for students of Tuloso-Midway ISD will be distributed to all parents in the district, with the expectations that all students will work toward these goals. Our district recognizes that some students may need extra assistance to achieve their full potential and we will provide this support through Title 1 program activities and various other educational services offered through the district.
